- * 1. Briefed General Davison on problems relating to the Employees' Compensation Act and our relations with the BEC. Indicated the importance we attach to these problems and requested that he review the manner in which they are handled by Personnel to determine if the personnel in his office were doing everything necessary to assure security and the best benefits for Agency employees.
2. Returned to Mr. Meloon personnel file on appointment of Mr. Dulles as Deputy Director and instructed Mr. Meloon there appeared to be no need for Mr. Dulles to sign another Oath of Office and No Strike Affidavit. [] concurred in this opinion by phone. So informed Mr. Dulles' secretary.
3. Reviewed SSU files on [] and discussed the background with [] in an effort to determine whether those files clarified in any way the present situation in regard to legal questions in which [] are now involved.
